

# South Carolina

## Procurement Services

[Procurement Services](#) provides the State's central procurement operation for all state agencies covered by the South Carolina Consolidated Procurement Code. It is divided into the following operational units:

- **Sourcing Team:** This team is responsible for conducting and managing procurements through a strategic partnership with state agencies to meet their procurement needs leveraging the state's buying power for maximized savings.
- **Statewide Contracts Team:** This team is responsible for conducting and managing procurements for Statewide Contracts on any type of acquisition for supplies, services, and information technology other than construction.
